CUT ALONG DOTTED LINES

HOW TO FOLD YOUR BOMB POP GLIDER

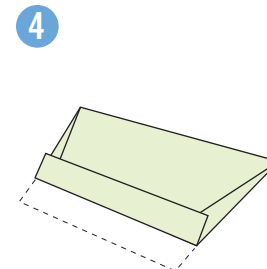

1. Fold along lines 1 and 2.

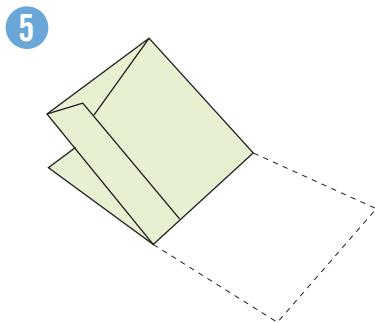

2. Fold along line 3 to line 4.

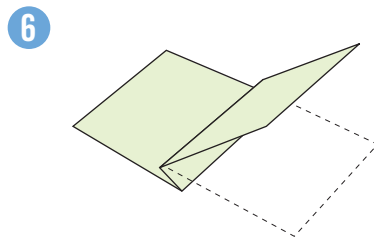

3. Continue to fold along lines 4 through 8.

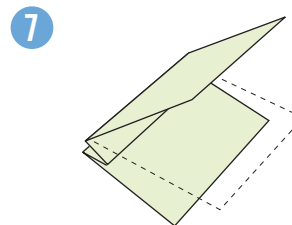

4. Finish flat fold along line 9.

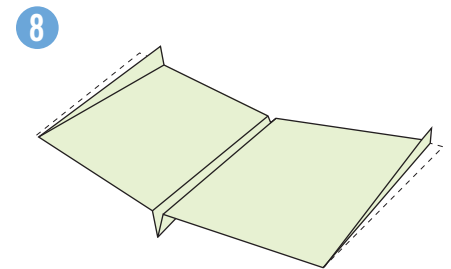

5. Flip plane over and fold in half along line 10.

6. Fold first wing down along line 11.

7. Flip over and fold second wing down along line 12.

8. Create small wing tips by folding up along dotted lines.
